**CERTIFICATION OF NEED FOR FIRE PREVENTION AND SAFETY FUNDS**

This is to certify that:

The Thomas Paine Elementary school, located at 1801 James Cherry Street  
Urbana City, Illinois, and under the management and control of the Board of Education of School  
 District # 1160 Champaign County, was surveyed by me on 20 June 2006

All of the urgent or required work as indicated on the attached for ISBE 35-48 is necessary to abate the violations of applicable code requirements and should result in effecting compliance with said requirements within prescribed timelines.

All other work recommended in the attached form ISBE 25-48, though not required to abate violations of applicable requirements of the Health/Life Safety Code for Public Schools, is recommended for energy conservation, handicapped accessibility, school security, and other repair purposes as provided in Section 1702.11 of the School Code.

The certified estimated cost figures were prepared by me and to the best of my knowledge are true and accurate estimates of the costs to execute the work as specified.

The Board of Education hereby certifies and assures the State Board of Education:

Victor E. Isaksen / Isaksen Glerum Architects PC Name of Architect / Engineer  
001-005117 License number  
11/30/2006 Expiration Date

a. Based upon the report of the architect referred to above, the district faces total estimated costs of \$ 4,400.00 to finance the work involved.  
 b. The district has \$ 4,400.00 available in its operations and maintenance fund and/or fire prevention and safety fund to finance the work.  
 c. The district needs to raise \$ 0 in additional revenue through the levy of the Fire Prevention and Safety Tax or issuance of Bonds to finance the recommended work.

d. Plans and specifications for the work will be submitted to the Regional Superintendent for review and approval.  
 e. The work to be financed with Fire Prevention and Safety funds will not be commenced until the Certificate of Approval of the State Superintendent is received, the detailed plans and specifications have been approved by the regional superintendent and the regional superintendent (or other lawful agency) has issued and appropriate Order to Effect Compliance with the Health/Life Safety Code for public schools (or other lawful order requiring the work to be done.)  
 f. All work authorized by the District will be executed in conformity with all applicable codes.
