CHAMPAIGN COUNTY NURSING HOME BOARD OF DIRECTORS

Quarterly Report (January – March 2018)

FROM: Champaign County Nursing Home Board of Directors
Jack Anderson, Chairperson

TO: Champaign County Board

In compliance with the Champaign County Nursing Home (CCNH) Board of Directors by-laws (Article X, Section 4), the following quarterly report ending 3/31/2018 is presented to Champaign County Board on May 24, 2018.

Table of Contents

1. Executive Summary - pg. 1
2. Census - pg. 2
3. CMS Star Rating - pg. 4
4. Financial Position - pg. 6
5. Attachments

Executive Summary:

During the 2018 first quarter SAK Management Services LLC continues to serve as the contracted administrator of the CCNH. SAK continues to endeavor to improve CCNH’s position in the local nursing home marketplace. They strive toward being active in our community raising awareness of the quality of services the CCNH provides to our residents and that are also available to the medical community as a partner in the care continuum.

In mid-February CCHN hosted a Quality Care Task Force presentation to representatives of Carle and OFS. The topics included bariatric, respiratory, antibiotic, and wound care services, thus outlining CCNH’s current and potential capabilities for Medicare patient referrals. To date CCNH has launched a respiratory program for hospital patients with high-flow oxygen needs, and a new bariatric services program is under evaluation. These programs are being developed under a business model design unique to a not-for-profit nursing home.

On Sunday, February 25, 2018 the CCHN hosted “Art Through the Generations,” its first Annual Art Fare from 1 to 5 pm. The Friends of the Champaign County Nursing Home coordinated the event using volunteers. The Fare provided 30 local artists a venue to display their works and the event’s visitors the
opportunity to enjoy local musical talent such as Almost a Trio and others. The event was well attended by community and family members who were provided appetizers and beverages from the home and numerous local vendors. See Attachment #1, Art “Fare” Art Through the Generations, an executive summary and review.

The CCNH’s strengths include its dedicated staff, staffing levels, quality of care, and the condition of the facility. With these four pillars providing a solid foundation upon which to build, SAK is diligently working to capitalize on these strengths toward marketing the CCNH as a local asset where the best possible quality of care is available to our residents.

The CCNH’s challenges exist in its financials and perceived public image. The financial condition of the CCNH remains tenuous with its high debt and low cash balance. The County Treasurer and Auditor repeatedly caution that the financial situation at the CCNH is dire and poses a threat to the County government’s operating fund and reserve balance.

The public’s perception of the CCNH has and continues to be strained by several factors, including financial problems, the impending sale of the home, and patient care incidents as reported in the local media. Combined, the CCNH’s financial issues and the impending sale present uncertainty which is problematic when potential residents or their families are seeking stability whether for a brief convalescence or a longer-term stay.

There are opportunities for the CCNH to improve its financial situation which SAK is pursuing and as mentioned above include increasing the census by increasing community awareness of what the home has to offer through a strategic marketing plan, and providing enhanced resident services.

A threat to the CCNH is having a competitive marketplace where there are more beds than clients. The marketplace is continuously competing for a portion of the limited number of higher paying beds, and because the margins are relatively thin any sustained adverse change in a skilled nursing home’s payer mix could result in financial collapse. The CCNH continues to avert potential insolvency due to the County’s financial support.

Census

In additional efforts to increase the CCNH census, SAK, nursing home staff and volunteers are working toward implementing new programs, including the addition of enhanced pulmonary services, dental services, and a coordinated effort with University of Illinois’ Business College to develop a strategic marketing plan.

The CCNH 2018 first quarter census increased three (3) from the previous quarter, the average census is about three (3) below the budgeted census:

SAK budgets based upon a projected census payer mix and calculates the variance to see if it's meeting its payer mix goals. Table 1 below provides the average daily census summary report for the first quarter of 2018. The largest census payer group continues to be Medicaid at 46%, with the actual Medicaid Pending census totaling 30%, resulting in a combined Medicaid census total of 76%. SAK’s budgeted goal for the combined Medicaid total is 71% thus realizing an increased Medicaid census of 5%. Of note during the first quarter the Medicaid Pending census average increased over 100 percent and the Veterans average decreased over 200 percent.

The year-to-date operating income ending in March 31, 2018 total from census payer mix funding sources was $2,611,037.57. Broken down into a percentage the total revenue for each payer mix category is available below.

When viewing the Table 2 below it is important to note that the percentage of payer mix revenue does not correlated with the payer mix census. For example Medicaid pays considerable less per billable day than the other three revenue sources. So while private pay revenue constitutes 40.8% of the total annual payer mix revenue, the private pay average daily census was only 16.4% of the total census.

CMS Star Rating

Centers for Medicare & Medicaid Service (CMS) created the Five-Star Quality Rating System to help consumers, their families, and caregivers compare nursing homes more easily and to help identify areas about which they may want to ask questions.

The CMS Star Ratings for the 2017 and 2018 surveys are listed below, along with a statistical comparison of CCNH and seven other Champaign County area nursing homes for your review. Also attached is a comparative spreadsheet of the 2018 Champaign County area nursing homes for your review.

Financial Position

For the period ending March 31, 2018 SAK’s reports in its Statement of Operations the actual Operating Income for the CCNH year-to-date was $2,645,204.67 and the actual total year-to-date Operating Expenses was $3,240,740.80, resulting in a loss of $595,536.13 in the first quarter 2018. With Non-Operating Income from local taxes of $316,695.00 and miscellaneous revenue of $292.60, totaling $316,987.60, the CCNH’s net operating loss year-to-date was $278,548.53.

On a positive note, SAK reports the facility is still ahead of budget by $49,415.71 year-to-date as budgeted net losses were $327,964.24 due to higher than budgeted Medicare census and tight expense management.

The CCNH continues to struggle to meet its financial obligations to private vendors. Payment agreements have been made with various vendors while others remain indefinitely deferred. This untenable situation exposes the County to the potential for legal action for payment and uncertainly if vendors were to cease providing services because of the financial impact of continuous nonpayment of accounts payable by the CCNH could have on their own respective businesses.

Champaign County Nursing Home

Art “Fare” Art Through the Generations

Executive Summary & Review

March 2, 2018

Purpose

The Art “Fare” was designed to provide the public the opportunity to come to Champaign County Nursing Home and see for themselves the unique services provided at the facility and the asset this facility provides for the Champaign County community. The Friends of the Champaign County Nursing Home Catherine Emanuel, Mary, Hodson, Belden Fields, Sue Phillips, Deloris Henry and Kathy Anderson graphic design and myself Kay Bronston SAK Management services LLC Marketing, Public Relations & Customer Services Regional Director were the authors of this event.

Art “Fare” Art Through the Generations

On Sunday February 25th from noon to 5:00pm Twenty Talented artists showcased their talents at the Art fare. A private showing by invitation only was held from noon to 1:00pm. Artists are Ollie Greer, Jim O’Brien, Nik Lucks, Ruta Rauber, Rosalind Weinberg, Jeanne Shenkar, Molly Fay Harden, Fraya Relinger, Debbie Mandel. Toni Pitts, Akilia Williams, Christopher Evans, Robert Bellows, Sandra Ahen, Alice Keift, Jim Lansford, Kelly Heironymous, Victoria Christianson, Tracie Trotter and Martha Mears, CCNH 80-year-old resident.

Artists showcased paintings, photography, needlepoint, embroidery, custom one of a kind jewelry, colored pencil sketches, knitting and more. Numerous demonstration occurred throughout the event including weaving demonstrations, acrylic pouring, poetry readings and poetry on demand and block painting.

Riggs Beer Company provided beer sampling and information on Riggs Brewery.

Wyldwood Winery provided wine samples and information on Wyldwood winery.

Musical entertainment complimented and enhanced the Art “Fare” throughout the day.

• Tom Basset & The 5th String
• UNI Fiddle Club
• Almost a trio with Dorothy Maratino
• The Iron Strings Band

Refreshments were prepared and served by Champaign Nursing Home Dietary Department
Day of the Event

Champaign County Park District loaned art display boards for the event. Twenty tables were rented at $7.00 per table. These items were at each artist assigned space on the day of the event. Jeff Bronston volunteered for the event and was at the facility at 7:30 am to personally welcome each artist as they arrived, help unload their vehicle, place artwork on cart and took them back to their assign space to set up.

The VIP showing was scheduled from noon to 1:00 with public attending from 1:00 through 5:00. We anticipate that somewhere between 200 and 250/275 guests attended throughout the day. Each guest who entered the building was met by a volunteer greeter and handed a program detailing the artists participating as well as the musical guests.

Many of the attendees said that they had never been to CCNH before and were pleasantly surprised to see how nice it was. When asked what brought them out that day, the attendees responded:

- The opportunity to see the nursing home
- Attend Art “Fare”
- Nice day out good day to try something new
- Listen to the good music
- Visiting family member
- Friends of one of the artist or band members

Feedback from Event

"Thank you, Kay, for all your hard work and follow-up and tenacity and energy. I thought the event was better than I had imagined. And, I have already been contacted by someone who wants to participate in next year's event."

"It was a great pleasure working with you Kay. I too hope that our paths will cross again, Best of luck in your other endeavors."

"First of all, thank you for organizing this event and for inviting artists to participate. As with any first-time event, there is no way of knowing how it is all going to go or not go. I felt that there was definitely a lot of positive energy amongst the participants. Your warmth and enthusiasm in welcoming me was most evident.

I accepted being a part of Art Fare having no expectations. The room was well-lit and comfortable. There was a variety of vendors, although it seemed that photography was most prevalent. There were lots of lookers but not so many buyers, at least at my table. The lookers were interested and polite. I did make a couple of sales early on.

I would participate again and encourage my art-making acquaintances to do so as well."

"I had a good time, even though I was "pulling prints " for 3 hours, and so did not get to see much of the fair, and I believe you have set a new standard for art fairs by providing valet service."
"I agree with Rosalind... great crowd, great space, wonderful help and amazing food and music. All the exhibitors were so friendly and willing to help each other. Just an outstanding day! BTW, your energy was contagious, and I kept borrowing some!

"As far as I understood, it was to be a day for family to spend with residents and bring them down to the Art Fare, (and we did see some of that), and was also open to the public. I wondered as well what was the point of the event, because it was free for all involved... however, we were down by the music area and we saw quite a few residents and several came in and talked to us. I would put that number much higher than 6, but like I said I was in a different area altogether.

From a business perspective, MANY of our customers said they were coming and ultimately did not, so that was a disappointment, but not within the power of the event organizers, or us. People are just flaky.

I would completely on board with providing our art process for the residents at a different time, however the process we teach is on the pricey side and from what I understood, many residents only get about 30.00 a month to spend. I would love to come in and just do some demos, at no cost, because just watching acrylic pouring is pretty magical."

"I also spoke with several residents, and CNA's. There were also many children of residents taking their parents around to see all the art work. I saw them listening to music in the entryway, and even said hello to several in the food set up room. I spoke with the 80 year old lady who did the fabulous paintings to see how much they were going for because several people had asked. She had sold one (the waves) before the show, and do not know how she did during the show, but she was certainly not left out. I know we were invasive, but hopefully we brought awareness and money to the facility."

LEASE AGREEMENT

This Lease Agreement is made as of July 1, 2018, by and between the Champaign-Urbana Public Health District, body corporate, hereinafter called Lessor, and the County of Champaign, a body politic and corporate, hereinafter called Lessee, in consideration of the following representations and mutual covenants and conditions and pursuant to authorization from the governing bodies of the parties.

1. Lessee is a unit of local government. The Champaign County Children’s Advocacy Center is a county agency. The Children’s Advocacy Center will occupy the leased premises. The Children’s Advocacy Center uses personnel working in the fields of child protective services, law enforcement, prosecution, victim advocacy and medical and mental health to investigate cases of suspected child abuse and serious physical abuse.

2. The space being leased hereunder, hereinafter called the leased premises, shall consist of the area designated as Suite 1 (3030 sq ft) at the facility of the Champaign-Urbana Public Health District, 201 West Kenyon Road, Champaign, Illinois, which is incorporated herein.

3. This Lease Agreement shall be for the period beginning on July 1, 2018. The period shall end at the end of the day on June 30, 2019.

4. At the expiration of the lease term of June 30, 2019, this Lease Agreement may be renewed annually for a renewal period of one year for a maximum of two renewals, with each renewal period beginning on July 1 and ending at the end of the day on the following June 30. Lessee shall give written notice of renewal to Lessor not later than May 1 next preceding the beginning of the renewal period. If May 1 falls on a weekend or holiday, written notice shall be given not later than the next day after June 1 on which the office of the Lessor is open for regular business. Notice shall be timely if mailed with proof of mailing or delivered to the office of the Lessor by the specified date.

5. Rent for the initial period shall be $1922.85 and shall be paid monthly in advance of the first day of that month.

6. The Lessee shall pay to the Lessor the sum of $237.23 per month for utilities in consideration of which the Lessor will provide heat, air conditioning, electricity for normal office use, hot and cold water and sewer service for normal office use. The payment for utilities shall be paid in the same way and at the same time as the monthly rent. The Lessee will also pay $58.00 for common area maintenance services.
7. The Lessor shall be responsible for paying to any other unit of government any user fees related to the utilities provided to the Lessee.

8. In the event any taxes become due in relation to the leased premises as a result of the activities of the Lessee, but not including user fees related to the utilities provided to the Lessee, payment of these taxes is the obligation of the Lessee.

9. The Lessee shall be responsible for its signage. The written approval of the Lessor shall be required for any signs which the Lessee erects or displays outside the building or visible from outside the leased premises.

10. The Lessee shall be permitted to use the leased premises for the purposes set forth herein. The Lessee shall not use the leased premises for any unlawful purpose. The Lessee shall not allow any unlawful activity to occur on the leased premises.

11. The Lessee shall have reasonable use of the parking lots for its staff, volunteers and visitors, subject to any restrictions set forth in this section. If the Lessor designates any specific parking lot spaces for its own use, the Lessor will post signs indicating such spaces are reserved and the Lessee shall not have the use of those particular spaces.

12. The Lessee shall have reasonable use of the handicapped accessible doorway and passenger elevator in the commons area of the building in which the leased premises are located except as set forth otherwise herein. Maintenance of the said handicapped accessible doorway and passenger elevator will be the responsibility of the Lessor. At the time of the making of this Lease Agreement, the elevator is not in service. The Lessor shall have the sole discretion whether to have the passenger elevator placed in service.

13. The Lessee shall be permitted to remodel the leased premises at its own expense. The Lessee shall obtain first the written approval of the Lessor for the specific remodeling plans of the Lessee.

14. The Lessor shall be responsible for normal maintenance of the building and the electrical, heating, cooling, plumbing, and sewer systems and of the outside structure of the building and roof.

15. The Lessee shall be responsible for cleaning the leased premises and for repair of any damage caused by the staff, volunteers and visitors of the Lessee.
16. The Lessee shall provide to the Lessor keys to the leased premises so that the Lessor can enter the premises in case of emergency or for other lawful purposes.

17. (a) The Lessee shall be permitted to make use of the telephone wiring and computer network wiring which has been or is being installed by the Lessor for access from the premises. The Lessee may have modifications, additions or changes to the current telephone or network wiring made. However these changes will be performed through or by the Lessor with any incurred cost to be the responsibility of the Lessee.

(b) Telephone service and internet access will be provided by the Lessor to the Lessee. The Lessee shall pay to the Lessor the amount of $29.00 per month per telephone and $25 per month for internet services. The payment for telephone service and internet access shall be paid in the same way and at the same time as the monthly rent.

18. The Lessee shall provide signage at its sole expense on the leased premises informing its visitors that its services are being provided by the Lessee and not by the Lessor.

19. The Lessee shall comply with all statutes, ordinances and regulations as apply to its use of the facilities and to its operations and activities.

20. The Lessor shall maintain general liability insurance coverage on the premises with limits in at least the amount of $1,000,000 per occurrence and $2,000,000 in the aggregate through the County’s liability insurance policy. The Lessee shall have the Lessor designated as an additional insured on all insurance policies of the Lessee that do or may provide coverage for the activities of the Lessee under the Lease Agreement. The Lessee shall furnish to the Lessor a certificate of insurance as to such liability insurance coverage in compliance with this provision.

21. The Lessee shall indemnify the Lessor against all claims and for reasonable attorneys fees and court costs and expenses for any claims against the Lessor as a result of the acts or omissions of the Lessee, its staff, volunteers and visitors.

22. Violation of any provision of this Lease Agreement by the Lessee shall constitute grounds for termination of this Lease Agreement by the Lessor.

23. Upon violation of any provision of this Lease Agreement by the Lessee, the Lessor shall be entitled to pursue all or any combination of remedies provided by law.
24. The waiver by the Lessor of any violation of this Lease Agreement by the Lessee shall not constitute a waiver by the Lessor of any other or further violation of this Lease Agreement.

25. (a) In the event of the renewal of this Lease Agreement by the Lessee, both rent and utility payments and charges for telephone service and computer access shall increase over the amount paid during the previous lease period by a percentage equal to the percentage increase in the Consumer Price Index (CPI) between the day of the beginning of the previous period and the day of the beginning of the renewal period. If a consumer price index number is not available for any such day, the number to be used shall be the number on the last preceding day on which it was available provided the CPI still is being published and calculated in the same way as at the effective date of this Lease Agreement.

(c) If the manner in which the CPI is determined by the Bureau of Labor Statistics shall be substantially revised, including without limitations, a change in the base index year, an adjustment shall be made by the Lessor in such revised index which would produce results equivalent, as nearly as possible, to those which would have been obtained if such CPI had not been so revised. If the CPI shall become unavailable to the public because publication is discontinued, or otherwise, Lessor shall select a substitute index that most closely approximates the above referenced index, as reasonably determined by Lessor.

26. Not later than the last day on which the Lessee occupies the leased premises under the terms of this Lease Agreement, the Lessee shall remove all its personal property from the leased premises.

27. Upon termination of this Lease Agreement by expiration of the lease term or otherwise, the Lessee shall leave the premises in at least as good condition as when it took possession, normal wear and tear excepted.

28. The Lessee shall pay to the Lessor such reasonable attorney’s fees and expenses and court costs as the Lessor may incur in any way in relation to this Lease Agreement or the termination of this Lease Agreement or in any action to recover possession of the premises or rent or other payment or in any other litigation or administrative proceedings involving this lease, other than incurred by the Lessor in the preparation of this Lease Agreement or of any amendments that may be considered or made.
29. The Lessee shall not assign or sublease this Lease Agreement to any person or organization without the written consent of the Lessor.

30. The Lessee shall not permit any mechanic’s liens or other liens to become a lien against the Lessor or the subject facility of the Lessor.

31. In the event the premises become unusable for any reason not the fault of the Lessee, at the option of Lessor the Lessor may restore the premises or terminate this Lease Agreement.

32. This Lease Agreement may be amended only by an agreement in writing executed by the parties hereto.

33. This Lease Agreement constitutes the entire agreement and no oral statement made before, on or after that date of execution hereof shall affect the terms or be binding on the parties.

34. The present lease will terminate at the end of the day on June 30, 2018

IN WITNESS WHEREOF, the parties hereto have executed this Lease Agreement as of the date first set forth above.
