FY2017 General Corporate Fund Budget Projection & Budget Change Reports

Ogden provided a PowerPoint presentation regarding the FY2017 budget. Ogden stated that the FY2017 budgeted revenue includes an additional $511,341 associated with preparing the property tax levy to capture new growth with a potential ruling in the hospital property tax exemption case. It was determined in March 2017 that the County would not receive any additional property tax revenue in FY2017. The County was reimbursed from the AOIC for FY2017 through June 30, 2017. The 10% cut to income tax resulted in the loss of $130,000 of
revenue. Fees and Fines were over budgeted and the balance reflects declines in the fiscal year-to-date revenues. Debt Service reimbursement from the nursing home will not occur in FY2017. The Fund Balance projection for FY2017 is $4.5 million or 12.7%. Busey clarified that the $4.5 million fund balance did not reflect the loans to the nursing home.
