RESOLUTION NO. 3425

A RESOLUTION PERTAINING TO THE RIGHT TO FARM IN CHAMPAIGN COUNTY

WHEREAS, the Chairman and the Board of Champaign County have determined that it is in the best interest of the residents of Champaign County to enact a Right to Farm Resolution which reflects the essence of the Farm Nuisance Suit Act as provided for in the Illinois Compiled Statutes, 740 ILCS 70 (1992); and

WHEREAS, the County wishes to conserve, protect, and encourage development and improvement of its agricultural land for the production of food and other agricultural products; and

WHEREAS, when nonagricultural land uses extend into agricultural areas, farms often become the subject of nuisance suits. As a result, farms are sometimes forced to cease operations. Others are discouraged from making investments in farm improvements.

NOW, THEREFORE, BE IT HEREBY RESOLVED by the Chairman and the Board of Champaign County as follows:

1. That the purpose of this resolution is to reduce the loss to the county of its agricultural resources by limiting the circumstances under which farming operations are deemed a nuisance.

2. That the term "farm" as used in this resolution means that part of any parcel of land used for the growing and harvesting of crops, for the feeding, breeding, and management of livestock; for dairying or other agricultural or horticultural use or combination thereof.

3. That no farm or any of its appurtenances should be or become a private or public nuisance because of any changed conditions in the surrounding area occurring after the farm has been in operation for more than one year, when such farm was not a nuisance at the time it began operation.
4. That these provisions shall not apply whenever a nuisance results from the negligent or improper operation of any farm or its appurtenances.

PRESENTED, ADOPTED, APPROVED AND RECORDED this 24th day of May, A.D., 1994.

COUNTY BOARD COPY
Mr. Giraldo Rosales  
Champaign County Board Chair

Re: Closed Session Minutes Review for Champaign County Board

Dear Board Chair Rosales:

Pursuant to the Open Meetings Act, a public body such as the Champaign County Board must review its closed session minutes at least semi-annually. The Board must then determine whether the need for confidentiality exists as to all or part of those minutes, or that the minutes or portions thereof no longer require confidential treatment, if so, the records would be available for public inspection. Therefore, the question is whether there is no longer a need to keep minutes closed in order to protect either the public interest or the privacy of an individual. Whichever conclusion that the Board draws must be then be reported in open session.

Please note that the Board may enter into closed session for the purpose of review of closed session minutes pursuant to 5 ILCS 120/2(c)(21): Discussion of minutes of meetings lawfully closed under the Act. Just as in open session, if the matter requires action by the Board, the matter must have been noticed on the posted agenda.

The County Board passed Resolution No. 7969, “Resolution Establishing Procedures for Semi-Annual Review of Closed Session Minutes by the Champaign County Board” on November 17th, 2011. Under the parameters established by the full board in Resolution 7969, none of the minutes which were reviewed in previous semi-annual reviews are currently ripe for further review. Further, no records were provided to our office indicating the full Board went into closed session during the past six months.

Finally, the Nursing Home Board of Directors sub-committee is no longer active, and has not been active in the past six-months. Our office recommends that the full Board include the previously closed minutes of the Nursing Home Board of Directors in its semi-annual review. Under the parameters established by the full board in Resolution 7969, none of the minutes which were reviewed in previous semi-annual reviews by the NH BOD are currently ripe for further review or opening.
Sincerely,

Donna M. Davis
